Light Up with WONDER

They illuminated various blocks, fascinated by how the brightness transformed with each color and texture. This activity sparked their curiosity and inspired them to experiment and explore light in an inspiring and unique way! -

Sherry's Day Home

Happy Birthday Little Hands Moving

Morgan, Lochlan, Leo,
Emmelynn, Luc Brynn Lucy,
Adam, Owen, Hunter

And Birthday Wishes to our
EDUCATOR, Susan &
Day Home Director, Charity!

Karren knows just how to foster creativity, explore interests and keep her day home littles active indoors during this cold Winter weather!!

Engaging in activities that require precision and control can help children strengthen their hand-eye coordination and dexterity. Check out some ways our day home programs are supporting fine motor skills and creativity indoors.
